

# Liverpool Local Involvement Network (LiNK)

Stronger local voices for health and social care.

## LiNK Neighbourhood Open Space Events

These are free events, open to all

Liverpool LiNK is an independent network, made up of local people and groups. The Open Space activities will give you the opportunity to talk about health and social care issues that are important to you

You can also contribute to LiNK work on

- Sexual Health Services
- Healthy Cities (particularly regarding mental health services and older people's services)
- Wellbeing Services for Disabled People
